

## Level Test

Level Test

### English Level Test

You can take this test to know what is your approximate level of grammar in English. Alternatively, you can also take a few of our [Use of English tests](#). If your grade for a Use of English test is 65% or higher, it means that your approximate grammar level in English is the same as that test. For example, if you take a couple of A2 tests and your grades are 65% or higher, it means that your approximate level of grammar is A2, and that you can start working on B1 grammar.

**Choose the correct answers for the following questions. There is no time limit. You will be able to see the answers at the end of the test.**

You have completed this test.

Correct answers: 31/60.

Your score is 52%.

B1 User

This is your approximate level for English grammar. You should start studying the [grammar lessons for B1](#).
